

## How to access Webmail

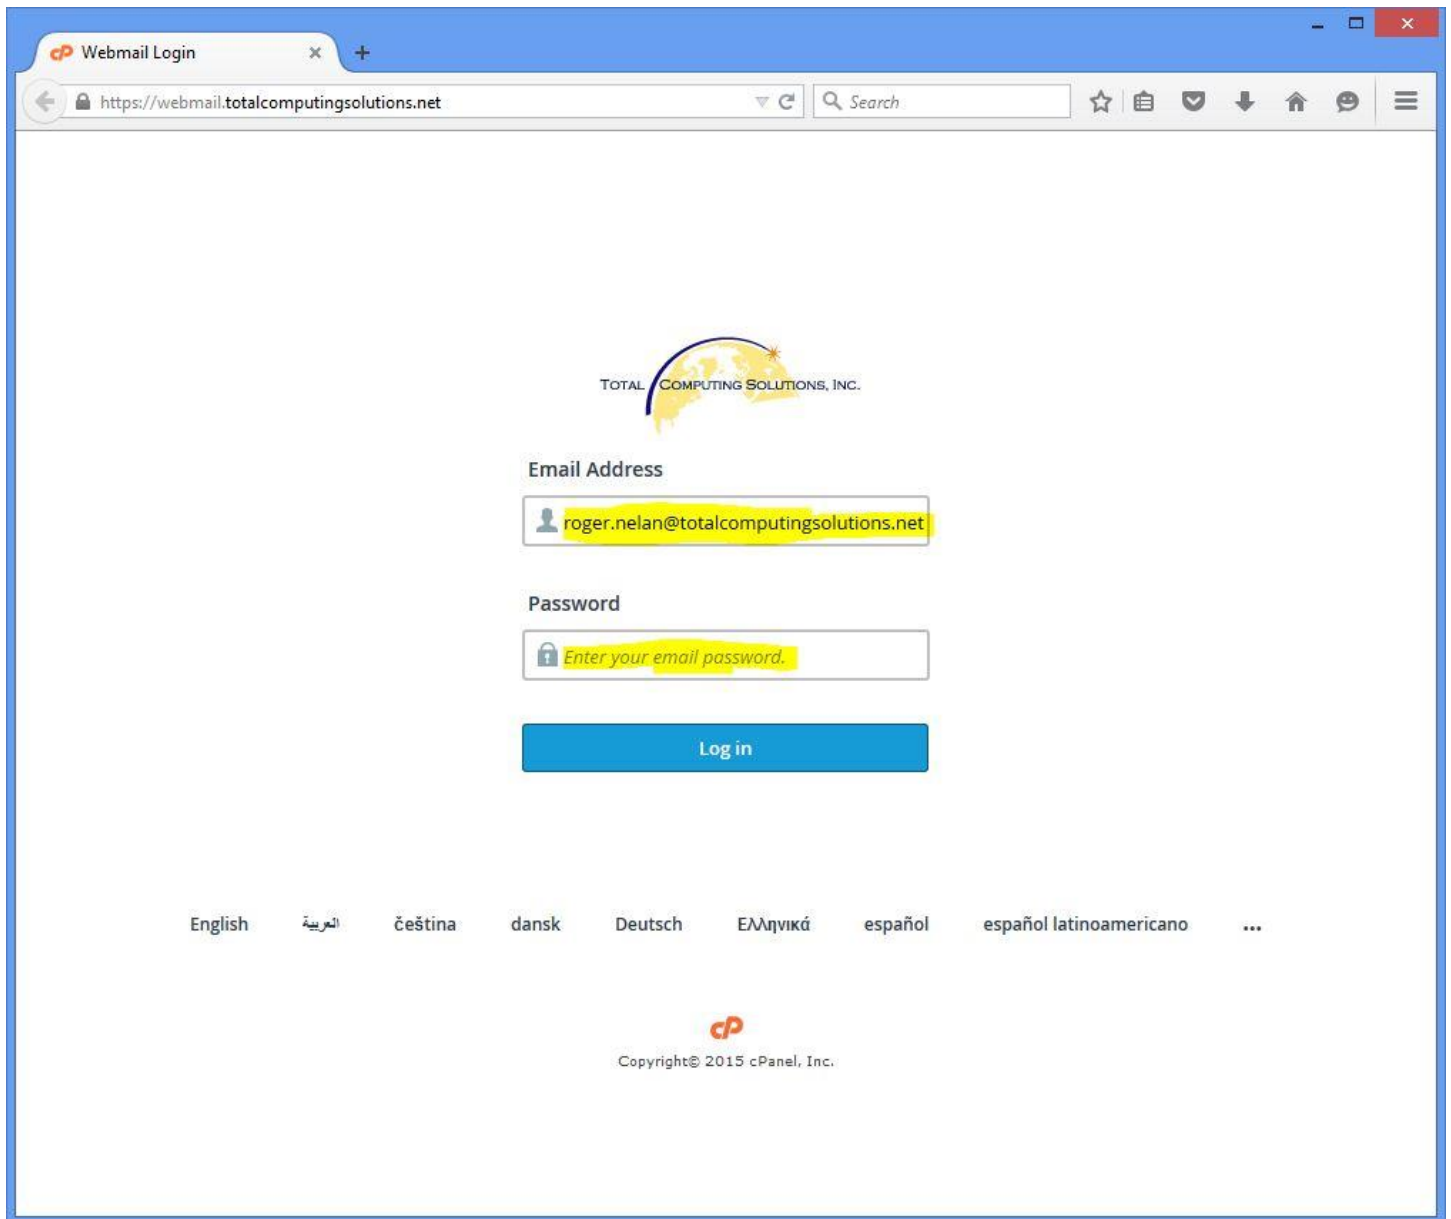

Step 1: Enter your webmail portal URL (this will be your domain)

<https://webmail.yourdomain.tld>

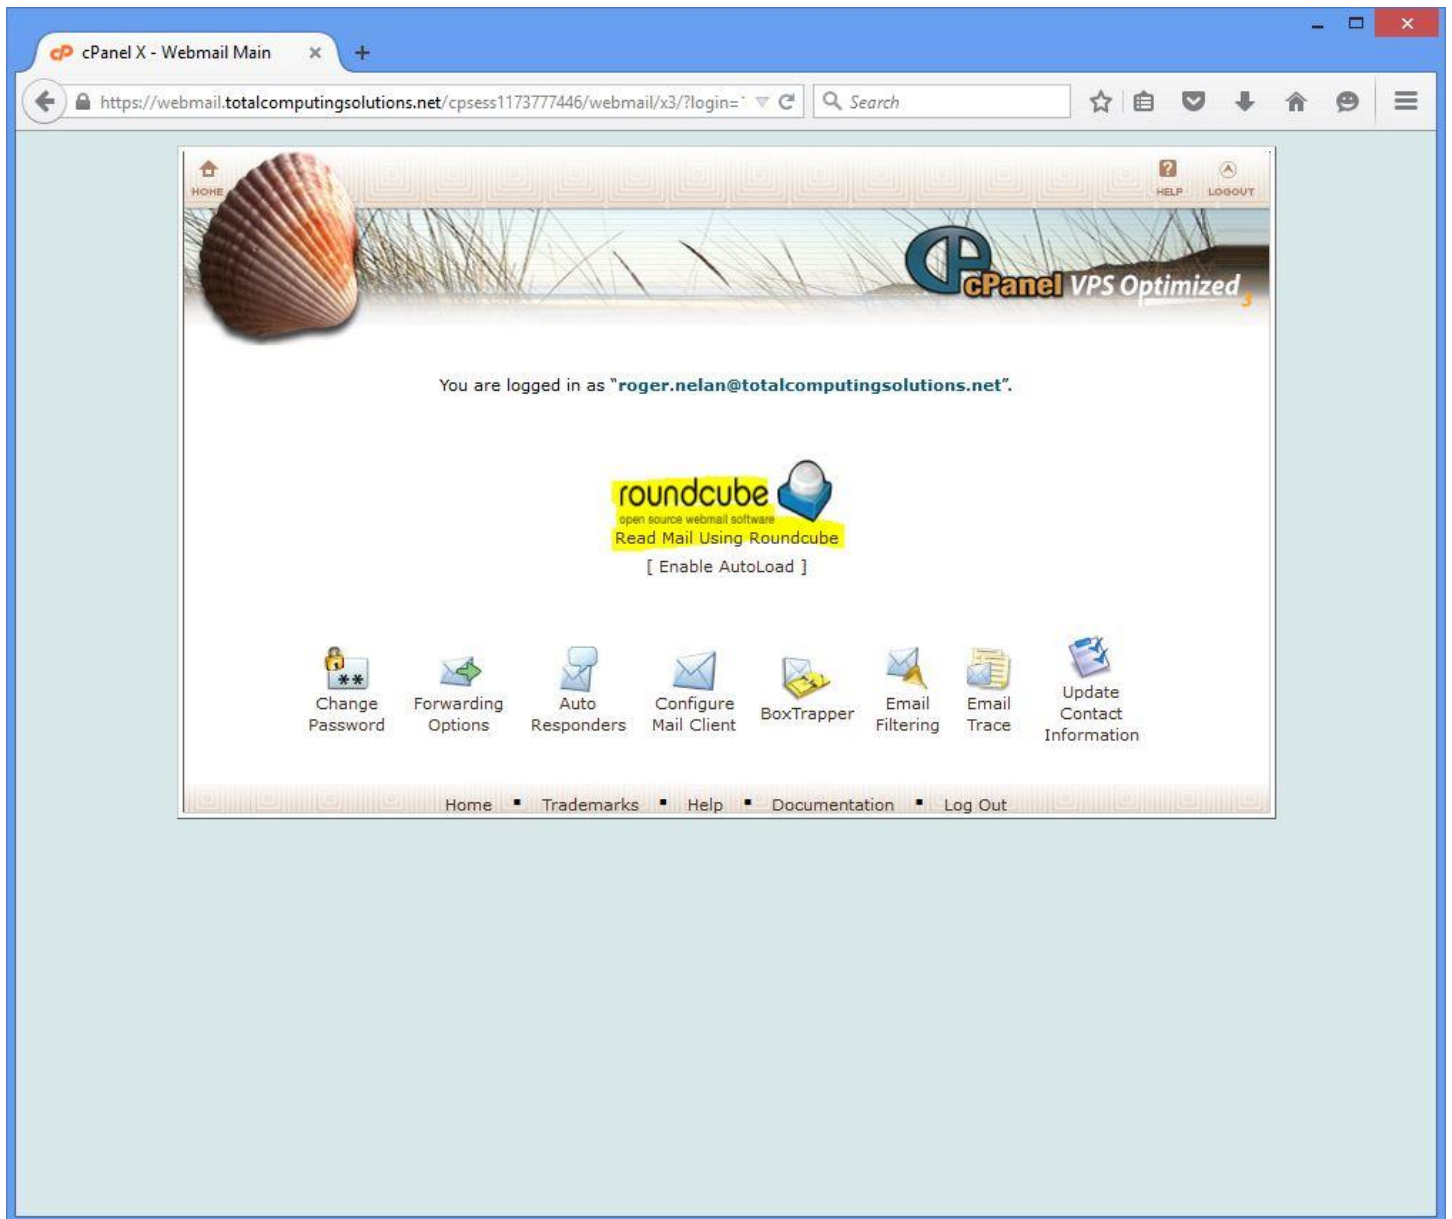

The screenshot shows a web browser window with the title "Webmail Login". The address bar displays the URL <https://webmail.totalcomputingsolutions.net>. The page features the logo for "TOTAL COMPUTING SOLUTIONS, INC." at the top center. Below the logo, there are two input fields: "Email Address" and "Password". The "Email Address" field contains the text "roger.nelan@totalcomputingsolutions.net". The "Password" field has a placeholder text "Enter your email password." and a lock icon. A blue "Log in" button is positioned below the password field. At the bottom of the page, there is a language selection menu with options: English, العربية, čeština, dansk, Deutsch, Ελληνικά, español, español latinoamericano, and ... . The footer includes the cPanel logo and the text "Copyright© 2015 cPanel, Inc."

Step 2: Enter your email address and password. [Click Log in](#)

Step 3: Click on roundcube

Step 4: Explore your mailbox.
